MEN'S HUB

MY VOICE

THE GREATEST **LEGACY** WE
CAN LEAVE OUR **CHILDREN** IS

HAPPY MEMORIES

FROM THE DESK OF EDITOR

I am happy that I get chance to finalize the second issue of Men's Hub, a collection of articles from various professional and non-professional writers. The collection is not exactly the stories but these are feelings or experience by various people as a common men, we just trying to keep them together.

First issue of Men's Hub was really special not only for me but for everyone. We get a lot of feedback about the issue, and a couple of them we tried to publish in this issue., specially those feedback's showing the short-comings of issue really help us in improving second issue. We tried our best to resolve the short-comings of first issue, still there can be a lot of things which reader should point out for better future.

The second issue is in hand and it is just after 1st April. Here in India 1st April is a celebration, where people try to make fool of friends / relatives. In India we have a lot of festivals, still we need a day to make fool ? But best part is a common men give angry reaction when he was made fool on an ordinary day, he reacted happily on 1st April for the same incident. I am not sure if we really need the day, but the truth is the day exist and we have to live with the day.

Personally I feel Men don't need the day because they are treated as fool from day first by society. And the best part is Men find glory at place of shame. In Delhi, one fine day a man, while waiting at Red Light suddenly was treated as criminal by society as well as system just because one women projected him as criminal, no-one bother to check the incident, social media get flood of posts against men, even CM of Delhi also jumped into field like it was a golden chance for him to grab. What I didn't understand is why CM reacted as he is CM form women only, why didn't he waited for a fair investigation, why he forget he get votes from men too, why he forget he was supported by men and women both. In the

end truth was out that MEN was treated as FOOL by a women probably for her political advancement. Yes the men is treated as fool but more important is where is the men now ? In newspaper I see such examples regularly, but we just ignore it until I am trapped in an act falsely.

Indian Men is treated as fool from the beginning of society, the only difference is we don't have a specific day but everyday is fool's day for Men's and the sad part is men even don't know. He is happy, he find glory to be fooled by society and women.

In this issue we collected information about parent kid relation and Existing Law too. I would like to thanks to those who had given words to there feelings. A few special articles we published are from Mr. Ramesh, Mr. Anupam Dubey & Mr. Deepanshu.

Before finishing I would like to speak about Mr. Ramesh, he is engineer by profession live in a Karnatka. I meet him in a conference. By nature he is introvert but for us he has given words to his feelings. He provided a beautiful article on how men get fooled by society in everyday life. In return I can say only Thanks.

PROGRESS REPORT

Maintaining a balance in society is considered to be among the priorities of the governments, be it union or state government! All governments in India are trying to work in that direction, but only as per their convenience, satisfying their selfish desires, to say the least. As per the governments, female feticide (a hoax), is a factor which is responsible for disturbed(?) gender ratio in our country; but what about suicides of men, #StateSponsoredMurders?

Government is not ready even to listen to the agony of men in India; on the contrary, it's trying everything to portray the state of women in India, as shown in its self propagated बेटी बचाओ, बेटी पढ़ाओ campaign!

As of now, all duties and rightful expectations from husband are codified in family and domestic violence laws! Duties of wife are either social understandings, implicit in culture, or a few outlined in some extreme judgments, like, 'husband allowed divorce because wife wanted too much sex'. But these rare judgments neither help to create any obligations of wives, nor in protecting men from domestic violence or abuse. As result, wife is left with rights only, without any duties.

In our country, law making is driven by tragedy or emotional arguments. Criminal Law (Amendment) Act, 2013, which inserted new sections 354A, 354B, 354C and 354D IPC; and The Juvenile Justice (Care And Protection of Children) Act, 2015, are just to name a few. Every time feminists have been succeeding with their motive; now, once again they are giving current to some emotional arguments; this time crying to criminalize 'sex in marriage'.

Nowadays, word 'RAPE', is more of a strategic tool, because whenever feminists or government talks of rape, it has implicit understanding of viewing

female victim in distress; and on that 'MARITAL RAPE'... It's scary, even to think of such new law enacted.

When, in our country even marriage itself is criminalized with 498A IPC and Protection of Women from Domestic Violence Act, do we need, yet another new law to even criminalize sex in marriage as 'MARITAL RAPE'? Especially when there already exists 4 laws in our country, which covers marital rape and which all are repetitive in nature?

Even though it's an admitted fact that, for sex, marriage is not mandatory today; it's a perception and personal choice of two 'consenting' adults, but this 'consent' itself is contested today; it's twisted to wreck havoc on man/husband!

Now the question that needs answer is that, 'how to record consent before every sexual encounter', be it before marriage, as lovers or live-in partners, or after marriage, as husband and wife?

Being sexually inactive in marriage, is already criminalized, as it's a cruelty and being sexually active.....??? Be ready to be termed a rapist, any time, because in India, we don't need a woman accuser to provide proof, her statement alone is good enough to believe her side of story.

With emotional arguments and the strategies of 'rape' and 'marital rape', feminist lobby, in the name of women safety and empowerment, is trying to make a new law to criminalize marital rape! The underlying fact why feminists are pushing to criminalize marital rape is that 498a IPC has lost edge, after Supreme Court's guidelines stopped automatic arrests, as it the most misused law!

In the form of new marital rape law, feminist lobby is trying to have a new lethal weapon for negotiation and harassment, as it will bring more than 7 years of imprisonment and will provide enough cover to get men harassed making bail, a complicated affair.

BUT then, will 'marriage without sex' be any acceptable form of marriage?

Blindly following foreign laws, if at all feminists/government succeeds in criminalizing marital rape, which does not imply in Indian family system or situations, it will be equivalent to the beginning of complete demolition of institution of marriage in India.

Again, if government is so keen in copying foreign laws, why is it trying to criminalize marital rape, only in name of 'women's safety', when all foreign laws are gender neutral?

While having all this discussions in weekly meetings, came Valentine's Day! Valentine's Day and likes are in the root of misuse of gender biased laws! It's the underlying theory of such celebrations that lead to false cases under gender biased laws, be it before or after marriage.

With the realization that our social fabric is getting torn, we organized an awareness campaign in Kanpur, in which we distributed pamphlets against Valentine's Day, Kanpur wide, for awareness against gender biased laws in society.

With the response that we got while distributing pamphlets, we were encouraged by many elders and youngsters, who also promised to participate in a formal protest against proposal of Criminalizing Marital Rape.

Trying to put in best efforts to make general public aware and realize the future of ongoing propaganda by the feminists/government revolving 'criminalizing marital rape', on 20/02/2016, we organized a protest and signature campaign for public, at Bharat Mata Prtima, Bada Chauraha, Kanpur Nagar.

The event was a participated by people from all walks of life and both genders. More than men, we found women were against any such

new law. Also, the event was widely covered by electronic and print media in Kanpur.

विवाह संस्कार का अपमान है 'वैवाहिक बलात्कार कानून'

कानपुर। प्रस्तावित वैवाहिक बलात्कार कानून न्यायालय को शयनकक्ष में ले आने वाला साबित होगा। यह कानून लागू करने का अर्थ विवाह संस्कार कानून को तिलांजलि देना होगा। गैर सरकारी संस्था दामन ने प्रदर्शन कर वैवाहिक बलात्कार कानून को लागू न करने की मांग की।

बड़ा चौराहा स्थित भारत माता स्तंभ के पास किये गये प्रदर्शन के दौरान संस्था दामन के पदाधिकारियों ने कहा कि आज कोई भी पुरुष घर के अंदर दहेज के झूठे केस और बाहर बलात्कार के फर्जी आरोपों से सुरक्षित नहीं है। यही कारण है कि देश में पतियों की आत्महत्या दर पत्नियों के मुकाबले ढाई गुना ज्यादा हो चुकी है। महिला सुरक्षा व सशक्तिकरण के नाम पर बनाये गये कानूनों का दुरुपयोग हो रहा है। ऐसे में वैवाहिक बलात्कार के नाम पर एक नया कानून बनाया जाना विवाह संस्कार की प्रथा को तिलांजलि देना होगा। उन्होंने कहा कि यह कानून लागू हुआ तो पत्नी के साथ लैंगिक संबंध बनाना भी बलात्कार की श्रेणी में आ सकता है। महिलावादियों का कहना है कि हमारे देश में 75

को बनाने का औचित्य क्या है, यह कोई नहीं जानता। मौजूदा समय में चार ऐसे लिंग भेदभावपूर्ण कानूनी प्रावधान हैं, जिनके तहत पत्नियां अपने पतियों के विरुद्ध बलात्कार का आरोप लगा सकती हैं। इन लिंग भेदभावपूर्ण कानूनों का जिस तरह दुरुपयोग हो रहा है, यह जगजाहिर है। यहां तक कि अदालत ने भी ऐसे कानूनों के दुरुपयोग की बात स्वीकारी है। भारतीय कानून यह नहीं मानता कि पुरुष के साथ भी बलात्कार हो सकता है। छद्म महिलावादियों का दावा है कि केवल पत्नियां ही शिकार हैं, पतियों का तो बलात्कार हो नहीं सकता। उन्होंने कहा कि इस लिंग भेदभावपूर्ण प्रस्तावित कानून को लागू न किया जाये। अन्यथा न्यायालय शयनकक्ष तक चला जायेगा। यहां 'आर्ट लवर्स सोशल एंड कल्चरल सोसाइटी' ने नुक्कड़ नाटक 'हम तुम एक कमरे

The Year started with the launch of Men's Hub. The initiative was an independent step to provide a medium to those non-professional writers not getting medium to express their feelings. The initiative get support from DAMAN WELFARE SOCIETY in terms of men power as well as web resources.

Today when we are ready with 2nd issue of Men's Hub, it is necessary evaluate the success of 1st issue. To evaluate the 1st issue two parameters can be seen :

- Number of Downloads
- Feedbacks received by Email.

Number of downloads is shown below.

The numbers shows a success more then expected. During first 10 days from launch total download is 1151 followed by 950 during next 10 days. After 20 days number of downloads comes down continuously but still remarkably high. Total download in 90 days is more the 4500. A great success.

Second parameter for evaluation is feedback from readers. At this front picture is slightly disappointing. Total number of email received till today is around 110, more then 60 % of email pointed out a short comings of magazine. It is impossible to include all feedback but we tried to add a few.

I FEAR

Watching Discovery Channel, where a lion is trying to kill a dear. Probably kill is not the right word, lion is just trying to get food for own survival. Dear is part of food chain for lion, its natural. I don't have any problem with that, but when I see in the eyes of dear, what I see is fear. Again its natural, fear is natural for dear when facing lion. Lion is also not free from fear. Fear is one of the emotion or reaction given by Nature or God. It apply on human more precisely Men also.

Today when I start thinking about a men, what he see and what he face in every moment of his life, what I remember is a small incident from my childhood. Although the incident is of little importance, so little that most person involved into the incident may not remember, even I can't recall every part of incident, still I would like to share whatever I remember.

It was winter afternoon, I was back from school, suddenly ladies from nearby house came out shouting that someone jumped on the roof of their house. These ladies fear it is ghost. Anyway it was office hour no men was at home, so a couple of men were called from nearby shops and they searched entire house. As expected no-one was there. That evening these ladies spend in our house, till people came back from work. Late night again there was some problem in that house, most ladies were out and most men from the house were searching their own house as well as nearby houses. Next morning a couple of people were talking about the incident and a few reported the existence of a men in their house in white dress, A GHOST.

Now the incident has little importance, it does not matter if ghost exist or not, it does not matter if reported ghost in white dress was really witnessed or not, it does not matter if such incident reported again or not, but what really matter is who searched the house, who investigated the matter. Both the time when a ghost was reported by neighbor ladies MEN was called. All ladies just waiting outside till the line was cleared by MEN.

These ladies didn't entered into the house because they fear from unknown, same time expecting men to enter and remove the

reason behind fear. The similar situation most of us has witnessed in own life, most time men come forward to remove the cause of fear.

Does that mean men is fearless ?

I consider the situation very differently, men is fearful just like any other living being on earth. Sometime he hide his fear because he has no option, but most of the time he hide his fear to impress someone.

Society or specifically members of our society can't protect themselves. They need someone to protect them, as a protector they find a fearless men. Society is not ready to accept the fact that a men also fear from something, society need a fearless men who can fight and die to protect them. Unfortunately men also follow the same path blindly, he just deny the existence of fear to prove his manhood. Most of time men don't accept the fact that he FEAR just because he am Men. But I can't ignore the fact that I FEAR doesn't matter if I hide it, doesn't matter if I deny it, somewhere deep indie we all fear from something, and society need to understand and accept it one day. We can't live just to protect, we have a beautiful life waiting for us.

WOMEN SHOULD NOT HAVE CHILDREN AFTER 35

*This is one of those controversial statements but I fully stand behind it.
Women should not have children after 35!*

Some say, "Of course women can have children after 35!"

*They don't know what they are talking about and I can guarantee they
have had very little experience in the matter.*

*I don't care what the doctor says.
I don't care what your friends say.
I don't even care what your pastor says.*

*Women should not have children after 35! I don't advise it, I vehemently
recommend against it, and loudly and even at times rudely tell people
"don't even consider it."*

*You can quote me on this. If you want to say that I said it. And I said it
more than once. "Women should not have children after 35!"*

*Some will send rude e-mails proclaiming the freedom of the womb but I
still stand by what I said. You may disagree with me, that's your right.
I still stand firm on the issue. With most things I keep an open mind but
not on this issue. If I find an exception to this rule, then I will be open to
change but for now, it's firmly closed because I have never seen an
exception. Women should not have children after 35!*

35 children are enough!

VERITA ALWAYS WIN

Long Long time ago, before the beginning of Kalyug, there was a world where live Verita & Falso together happily. Falso was having more physical power while Verita believe in more mental strength. With passing time the peace between them destroyed they fight with each other for small issues, soon their world witnessed the destruction beyond imagination.

To resolve the problem related to destruction, Verita & Falso sit together and decide not to involve in personal fight. Still the question remain how they would solve their disputes without attacking each other. Finally it was decided that the disputes will be resolved by fight between representatives and the planet Earth will be their play ground. On planet Earth both will be free to choose one men as representative. Their fight will decide Verita & Falso dispute.

With passing time many time Verita & Falso visit earth and resolve their dispute with fight between representatives. As both were free to choose their representative as per their wish, Falso choose his fighter on the ground of physical power, same time Verita choose his fighter with more mental strength.

Verita & Falso's fighters were in ground for fight, Initially because of physical strength Falso's fighter was dominating, but soon he was tired and he could not stand anymore and lost the fight. Verita's fighter was declared winner. Dispute between Verita & Falso was solved peacefully, Earth witnessed destruction.

Soon these fight become their practice, now these fights no-more to resolve the issue but become a way to entertainment. Every time Verita & Falso choose their fighters as per their own believe, most of the time falso's fighter focus on attack, while verita's fighter believe on his mind and wait till the right moment. In long fights physical strength

could not help much as a result, most of time the fighter selected by Verita win his fight. Soon it was popular that “VERITA ALWAYS WIN”.

Generation passed but Verita's fighter always win because of better mental strength. One day Verita & Falso again visit earth to solve their dispute. This time again two fighters were selected. Basis of the selection was again same, Falso choose on the ground of physical strength which Verita choose on the ground of mental strength. It was the beginning of KALYUG. Verita's fighter believe in “VERITA ALWAYS WIN” and he was sure about his victory.

As soon as both enter in play ground Falso's fighter start attacking Verita's fighter. Verita's fighter was sure about his victory so he just defended himself, didn't do much to attack. Falso's fighter was not sure about his victory therefore he continue his attack, soon the defense of Varita's fighter was broken. Varita's fighter also understood his defense was broken, but it was too late to do anything. Soon Verita's fighter was not even able to stand and finally he was declared looser.

The myth “VERITA ALWAYS WIN” was broken. Verita lost because his fighter was not ready to fight, just defending himself.

Today we can see Verita's & Falso's fighter everywhere, they fight each other but unfortunately Verita's fighter not ready to fight, they are more concern about to finish the fight and most of time VERITA

LOOSING. Verita can win only if his fighter start believing in fight at place of Myth like "VERITA ALWAYS WIN"

Yes We are talking about SACH & JHOOTH. Today "SatyaMevJyte is popular enough but most of time its not true, just because we are not ready for a long betel.

FOOL'S DAY

It was 1st April. No I am not talking about 2016, but I am talking about 1992, when I was in last year of engineering.

Early morning when I came out of my hostel room, in my mail box I get a letter. A Love latter, by some unknown. Content of letter may not be having much importance but I was happy that some girl like me. Although which Girl? I was not aware about that but some girl that was enough for me at that time.

Who was the girl? This was secrete at-least for next couple of hour, because meeting was in evening and place was her choice.

I feel, because I am talking about an incident happened on 1st April, so most of readers may think at meeting place no girl was waiting for be, or may be few friends. Sorry to disappoint friends, there was a girl and good

news is today she is my wife. So way I am talking about fools day? Its simple because that day I was treated like a fool.

The story started from morning of 1st April, when I get a love letter in my mail box. The entire day I was excited for evening date. So excited that I was at meeting place sharp 7 PM without delay, I find a few girls waiting for me. Surprising I get 1 love letter and more the 1 girls waiting. Ha Ha Ha

Well the story end here because that evening we took dinner in star hotel, watched movie in nearby cinema, they dropped her in her hostel. All the time her friends accompany her. So the evening was not really a date evening but it was a picnic for her friends sponsored by me. I spend more the 1000 /- on that evening. Yes today 1000 /- may be a small amount, but that time when I was dependent of parents it was really a big amount.

Although no-one forced me to pay bills that evening but I paid by wish. Why I paid? Reason I find is because this is what society teach me after my birth. Or I can say it is the cost I paid for living in SOCIETY.

Was it really a love letter? In couple of years I married with the same girl but the TRUTH is that day I was made fool by few girls, because these girls wanted an outing, and she arranged a sponsor for that by writing a small love letter.

Long back the incident is forgotten by almost everyone, But a small incident remind me. I was waiting at workshop for my bike after service when a young boy entered with a scooty, behind was a girl. Initially I though he is relative of her and dragged scooty all the way. But just smiled when I came to know that he even don't know who she is, still he dragged her scooty around 2 km just because it was difficult for her (can't understand why it

was easy for him). I understand he is the same what I was 20 year back. Time has changed but we never try to change, ready to be fooled by someone.

How I get married with same girl is another story. Today we have one 18 year old son. Unfortunately we teach him the same what I have inside us. I perfectly know some day he will be made fool by some girl just like me. Still we teach him the same. Why?

The incident, may be an innocent incident which may result me just financial crisis for a month that's all. But the problem is everyday we witness incident around us, change entire life of ours, still we never learn from them. For example around a year back one 30 year old men jumped from 5th floor, because her wife was trouble maker. We live in same society and we perfectly know she was a trouble maker for his family which forced him to jump. Although he was saved by luck but lost one of his leg for life. We witness the incident but what we learn, we didn't passed to next generation. Still we force or ask to marry a decent or homely girl. Still confused where to find such Girl.

Readers know I can't write much because I also have to report back at home

Fight for Men's Right is SHAME !!

When I was a kid, I can remember the source of information was only radio. After some time TV was also in market but accessible for limited peoples. Now time has changed, today we get unlimited source of information. One of the biggest source is social media like facebook & twitter. Whoever has an account on facebook, he/she must have see the word MRA. Thousands of people using MRA as an initial.

Questioning is what MRA stand for. MRA Stand for Men's Right Activist. Important part is ACTIVIST. Most of the world familiar with ACTIVIST, but the other part Men's Right is new for most. Even if people understand the meaning of Men's Right they choose to ignore because they don't think if Men need rights.

Well my problem is not what a common men think about MRA's, but my concern is what MRA himself think.

My question is if MRA should be ashamed of talking about men's right ? Specially when talking in a group of people don't even know what men's right is ?

Most people will answer no, they should speak wherever they get chance, does not matter what the group is.

I am saying MRA should speak when they are out of their group. What I will gain when speaking with another MRA. Ofcourse I gain knowledge, but problem is both are MRA & both support Men's Rightfinally discussion going nowhere, except knowledge sharing.

Why I am rising this question, well because recently when someone from one group shared about ACID-ATTACK and his mission about woman's safety from acid attack, I raised the question do you really know how many men get acid attack compare to women. Unfortunate but truth is

one of so called victim of women pro Laws asked me not to rise the question because the platform is not meant for such question.

I am still thinking the platform was good enough to rise a mission about **WOMEN'S SAFETY FROM ACID ATTACK** but not for right for **MEN'S SAFETY FROM ACID ATTACK**. Probably we are ashamed of rising our voice. Specially victims they are here just to get help when they are in distress, otherwise deep inside they are ashamed of the part of Men's Right movement.

Fight for Men's Right is SHAME for many.

“अब तो घबरा के ये कहते हैं कि मर जाएंगे, मर के भी चैन ना पाया, तो किधर जाएंगे???”

हमारे देश में करीब 65,000 विवाहित पुरुष हर वर्ष आत्महत्या कर लेते हैं, दिनांक 30/03/2016 को भी एक लड़की से बात हुई, उसने बताया कि उसके भाई ने ससुराल वालों से परेशान होकर फांसी लगाकर, दिनांक 26/03/2016 को आत्महत्या कर ली है। उसका भाई, शादी के बाद से ही अपनी पत्नी और ससुराल वालों के कारण बहुत ज्यादा परेशान रहता था। उसके आत्महत्या करने कि खबर दिनांक 27/03/2016 को कोटा, राजस्थान में अखबारों में भी प्रकाशित हुई थी।

ससुराल से परेशान युवक ने फांसी लगाई

जब शादी हुई है तब से दे रहे थे ससुराल वाले केस करने की धमकियां

मृतक शिपिव।

महावीर नगर थाना इलाके में ससुराल वालों से परेशान एक युवक ने फांसी लगाकर आत्महत्या कर ली। थाने से कुष्ण कुमार एएसआई ने बताया कि विपिन 40 वर्ष पुत्र कन्हैयालाल ब्राह्मण निवसनी टीवर्स कॉलेजी विजिन सुक्रवार देर रात्रि को अपने कमरे में फांसी का फंदा लगा लिया। सुबह वह काफी देर तक नहीं उठा तो परिजनों ने कमरे की खिड़की से अन्दर झाँक कर देखा तो विपिन फंदे पर झूल रहा था। परिजनों ने इसकी सूचना पुलिस को दी। सूचना मिलने पर पुलिस मौके पर पहुंची। पुलिस ने शव को फंदे से उतार कर एमबीएस अस्पताल के मर्नाथर में रखवाया। जहाँ पोस्टमार्टम करवाकर शव परिवर्तन

यह लिखा सुसाईट नोट में

उन्होंने बताया कि मृतक ने सुसाईट नोट में लिखा है कि मेरे काफी समय से मानसिक दबाव में चल रहा था। मेरी हेमिसयत नहीं थी कि मे प्रकाश नारायण गरीमा शर्मा, विमल शर्मा और गौरवा शर्मा निवासी महावीर नगर विस्तार योजना को 156 लाख रूपए दे पता। इन लोगों ने झूठ बोलकर शादी की। हमें फंसाया और इन चारों ने मिलकर हमारे घर में साजिशें कीं। जब से शादी हुई तब से वे लोग मुझे और मेरे परिवार को केस करने की धमकियां दे रहे थे। क्या मेरा अपराध ये था कि मेरा बाप नहीं था। या फिर मेने और मेरे परिवार ने इन लोगों को छानबीन नहीं की थी। मे एक मेडिकल को दुकान पर नौकरी करता था। इन लोगों से आतंकित होकर मुझे नौकरी से हाथ धोना पड़ा। वर्तमान में इन लोगों ने खाने कमाने लावक भी नहीं छोड़ा। हमारे घर में इन लोगों की गुण्डागर्दी और कोर्ट में भी इन लोगों की गुण्डागर्दी। इसी गुण्डागर्दी के दम पर केस भी अपने पक्ष में करवा लिए और झूठे केसों में मुझे और मेरे परिवार को फंसा लिया। मेरी खुद भी जान खतरे में थी और मेरा परिवार भी सुरक्षित नहीं है। उनकी हत्या हो सकती है। आज 24 मार्च को शाम 4.30 बने लड़की का भाई गौरव शर्मा मेरे घर पर आया। उसने मेरे भाई के साथ मारपीट की थी और मेरी माँ को गाली खलीच की। इस घटना से मेरा परिवार काफी सदमे में च भयभीत भी है। ये लोग मुझसे पैसे को माँग को लेकर मानसिक दबाव बना रहे थे। मेरी और मेरे परिवार की मुखबिरी हो रही थी। पता नहीं इन लोगों को क्या फायदा होने वाला था।

ससुराल वालों से परेशान था

उन्होंने बताया कि मृतक को शादी के बाद पत्नी से विवाद हो गया था। उसके बाद उसकी पत्नी पीछर में रह रही थी। पत्नी ने विपिन पर भरण पोषण की राशि देने का मुकदमा कर रखा था। निससे वह काफी परेशान रहता था। उसके परिवार वालों को आए दिन ससुराल वाले धमकिया देते रहते थे। मृतक के कमरे से सुसाईट नोट मिला है।

मृतक विपिन का सुसाइड नोट दिनांक 27/03/2016 को, कोटा के अखबार “दैनिक नवज्योति” में, के पृष्ठ 14 पर प्रकाशित हो चुका है, लिहाज़ा, अब यह कोई गोपनीय दस्तावेज़ नहीं है। हम यह सुसाइड नोट यहाँ जिसलिए साझा कर रहे हैं, इसका एक बड़ा कारण है, हमें रोज ही पीड़ित लड़कों सम्पर्क करते हैं, जिनमे लड़के अक्सर भावावेश में कहते हैं कि:

1. मैं बहुत परेशान हूँ, जी करता है कि आत्महत्या कर लूँ
2. कानूनों में सुधार होना चाहिए, चाहे सरकार का ध्यान खींचने को मुझे आत्महत्या ही क्यों न करनी पड़े
3. मैं आत्महत्या कर लूँगा, मुझसे मेरे माँता-पिता व परिवार की परेशानी नहीं देखी जाती
4. अगर मैं आत्महत्या कर लूँ तो आप लोग मुझे न्याय दिलाइएगा
5. मैं सरकार से इच्छा मृत्यु की माग कर रहा हूँ
6.
7. इत्यादि इत्यादि

सुसाइड नोट में लिखा है:

“मैं काफी समय से मानसिक दबाव में चल रहा था। मेरी हैसियत नहीं थी कि मैं प्रकाश नारायण, गरीमा शर्मा, विमल शर्मा, और गौरव शर्मा को निवासी 2H25 महावीर नगर विस्तार योजना कोटा (राज०) को 15 लाख रूपये दे पाता। इन लोगों ने झूठ बोलकर शादी की हमें

फंसाया और इन चारों ने मिलकर हमारे घर में साजिशें की। जब से शादी हुई तब से ये लोग मुझे और मेरे परिवार को केस करने की धमकियाँ दे रहे थे। क्या मेरा अपराध ये था कि मेरा बाप नहीं था या फिर मेरे और मेरे परिवार ने इन लोगों की छानबीन नहीं की।

मैं एक मेडिकल की दूकान पर नौकरी करता था। इन लोगों से आतंकित होकर मुझे नौकरी से हाथ धोना पड़ा। वर्तमान में इन लोगों ने खाने कमाने लायक भी नहीं छोड़ा। हमारे घर में इन लोगों की गुंडागर्दी और कोर्ट में भी इन लोगों की गुंडागर्दी।

इस गुंडागर्दी के दम पर केस भी अपने पक्ष में करवा लीये। और झूठे केसों में मुझे और मेरे परिवार को फंसा लिया। मेरे खुद की भी जान खतरे में थी और मेरा परिवार भी अब सुरक्षित नहीं है। उनकी हत्या भी हो सकती है।

आज दिनांक 24/3/016 को शाम को 4:30 लड़की का भाई गौरव शर्मा मेरे घर पर आया उसने मेरे भाई के साथ मारपीट भी की। और मेरी माँ को गाली-गलोच दी। इस घटना से मेरा परिवार काफी सदमे में है। और भयभीत भी है। ये लोग मुझसे पैसों कि माँग को लेकर मानसिक दबाव बना रहे थे। मेरी और मेरे परिवार की मुखबिरी हो रही थी। पता नहीं इन लोगों को क्या फायदा होने वाला था।

कई लोगों को सुसाइड नोट में लिखे हालात बिलकुल अपने जैसे लगेंगे... लेकिन, गनीमत है कि इसे पढ़ने के लिए जीवित तो हैं...

प्रश्न यह नहीं है कि मृतक विपिन ने सही किया, या गलत किया... आपकी क्या राय है, इसका निर्णय आप करें। लेकिन हम यहाँ उन लोगों से पूछना चाहते हैं जो लोग आत्महत्या को हंसी खेल समझते हैं और मना करने के बावजूद बार बार कहते हैं कि:

1. मैं बहुत परेशान हूँ, जी करता है कि आत्महत्या कर लूँ
2. कानूनों में सुधार होना चाहिए, चाहे सरकार का ध्यान खींचने को मुझे आत्महत्या ही क्यों न करनी पड़े
3. मैं आत्महत्या कर लूँगा, मुझसे मेरे माँता-पिता व परिवार की परेशानी नहीं देखी जाती
4. अगर मैं आत्महत्या कर लूँ तो आप लोग मुझे न्याय दिलाइएगा
5. मैं सरकार से इच्छा मृत्यु की माग कर रहा हूँ

हमारे देश में, इन्हीं सब समस्याओं को देखते हुए और यही सब सोचते हुए, हर वर्ष करीब 65,000 विवाहित पुरुष आत्महत्या कर लेते हैं। क्या किसी को भी जानकारी है, कि जिन लोगों ने आत्महत्या की है, उनकी समस्या का समाधान हो गया? कोई भी उदाहरण हो तो कृपया बताएं। हम मरणोपरांत, किसी भी भाई की आलोचना नहीं कर रहे हैं, अपितु जो और दुसरे लोग इस रस्ते का विचार रखते हैं, उन्हें रोकना चाहते हैं।

अपमान होने, मुकदमें होने, प्रताड़ित किए गए होने के कारण, क्या आत्महत्या करके हम अपने स्वाभिमान कि रक्षा करना चाहते हैं?

अपने परिवार कि परेशानी नहीं देखी जाती, आपके आत्महत्या करने से परिवार कि परेशानी खत्म हो जाएगी?

शुतुरमुर्ग भी रेत में सिर छिपाकर समझता है कि शिकारी से छिप गया है। क्या इस प्रकार आत्महत्या करना इसी परिधि में नहीं आता है?

“हम आत्महत्या कर लेंगे, घर वाले अपने समस्या अपने आप देख ही लेंगे”, यही सोचेंगे तभी आत्महत्या कर पाएँगे। क्या आपके बूढ़े माँता-पिता इसी लायक हैं? अगर आप खुद उनकी स्थिति को सोचने-समझने को तैयार नहीं हैं, तो आपको क्या अधिकार है किसी दुसरे व्यक्ति से, अपनी पत्नि से या ससुराल वालों से अपेक्षा करें कि, वो आपके बूढ़े माँता-पिता या परिवार के बारे में सोचें?

दूसरों ने, आपकी पत्नि ने या ससुराल वालों ने आपके माँता-पिता या परिवार को वो दुख या कष्ट दिए हैं, जिनका लड़के के निवारण किया जा सकता है, परन्तु जब आप आत्महत्या कर लेते हैं, तो आप खुद ही आपके माँता-पिता को, परिवार को, भाई-बहनों को, अपने ईष्ट मित्रों को अविस्मरणीय व बेहद असहनीय कष्ट देते हैं।

हमारे देश के कानून एकतरफा और अन्यायपूर्ण हैं, सही बात है। यह बात भी बिलकुल ठीक है कि अगर यह आत्महत्या, विपिन कि बजाय उसकी पत्नि ने की होती, तो विपिन और उसका पूरा परिवार अभी तक जेल में होता। लेकिन, क्योंकि आत्महत्या एक पति ने की है, अभी तक कोई कार्यवाही नहीं हुई है। तो क्या कार्यवाही ना होने के विरोध में एक और आत्महत्या होनी चाहिए?

कानूनों में परिवर्तन की आवश्यकता है, लेकिन जब हर वर्ष 65,000 आत्महत्याएं होने पर भी सरकार पर कोई फर्क नहीं पड़ा, तो क्या किसी एक के आत्महत्या करने से पड़ेगा? अगर नहीं, तो क्यों हम यह स्वीकार नहीं करते कि इन सब समस्याओं का एक मात्र उपाय, केवल और केवल अपनी लड़ाई को जीतकर, विरोधियों को झूठा व गलत साबित कर ही किया जा सकता है।

केवल यही एक मात्र रास्ता है जिससे आपके बूढ़े माँता-पिता, आपका परिवार भी सन्तुष्ट होगा और जब हमारे आंकड़े भी बोलेंगे कि हम सब सही थे और हमारे विरोधी गलत बने हुए

कानूनों का इस्तेमाल कर रहे थे, तब सरकार पर भी दबाव बनेगा और सरकार को नारिवादी शक्तियों को दरकिनार कर, कानूनों में परिवर्तन करना ही पड़ेगा।

परन्तु, यह सब जीवित रहकर ही किया जा सकता है।

“अब तो घबरा के ये कहते हैं कि मर जाएंगे, मर के भी चैन ना पाया, तो किधर जाएंगे???”

सोचो बन्धुओं सोचो, अगर जीवित ही ना रहे तो अपनी इस लड़ाई में जीत का जश्न कौन मनाएगा...

Father: Ok ask.

Son: When a doctor doctors a doctor, does the doctor doing the doctoring doctor as the doctor being doctored wants to be doctored or does the doctor doing the doctoring doctor as he wants to doctor.

पुरुष संरक्षण, पर क्यों?

क्या आप जानते हैं कि आज के तथाकथित पुरुषप्रधान समाज में भी पुरुषों को संरक्षण की जरूरत क्यों है?

हमारे देश में पुरुषों की भलाई के विभिन्न पहलुओं पर गौर करने के लिए किसी भी प्रकार की सुरक्षा या समर्थन प्रणाली, सामाजिक या सरकारी मंचों का पूर्ण अभाव है। पुरुषों के मुद्दों को संबोधित करने के लिए किसी भी मंच के ना होने के कारण पुरुषों और लड़कों के खिलाफ महिलाओं द्वारा हिंसा को प्रोत्साहन ही मिला है।

दामन वेलफेयर सोसायटी और भारत भर के कई अन्य साथी गैर सरकारी संगठनों ने साथ आकर पुरुषों और लड़कों के खिलाफ हिंसा के मुद्दे की ओर सबका ध्यान आकर्षित करने के लिए एक महीने का अभियान शुरू किया है। हम **Save Indian Family Movement** के रूप में, अलग अलग तरीकों से पुरुषों पर महिलाओं द्वारा किये जा रहे शोषण के विषय में समाज में जागरूकता लाने के लिए अभियान चला रहे हैं। पुरुष का शोषण शारीरिक, मौखिक, भावनात्मक, वित्तीय या यौन भी हो सकता है।

पिछले कुछ दशकों में, महिलाएं (शहरी और ग्रामीण दोनों) सभी सामाजिक पहलुओं में आर्थिक रूप से स्वतंत्र हुई हैं। महिलाओं की आकांक्षाएं काफी ऊँची होती जा रही हैं और मीडिया एवं सरकार द्वारा दिए गए समर्थन के चलते ऐसी महिलाओं की संख्या में जबर्जस्त इजाफा हुआ है जो कि परोक्ष रूप में या सीधे तौर पर अपराधों को कारित करने से भी नहीं डरती हैं। पिछले कुछ दशकों में ऐसे कई कानून महिलाओं के लिये बने हैं जिनके कारण कई पुरुषों के जीवन आतंकित हो गये हैं। पुरुषों पर हो रही महिला की हिंसा के स्मपूर्ण डाटा भी सरकार के पास उपलब्ध हैं, लेकिन बजाय इसके कि इस समस्या का समाधान करे, अंतरराष्ट्रीय एजेंसियाँ और सरकारी विभाग एवं महिलावादी गैर सरकारी संगठन तथ्यों को दबाकर, झूठ फैला रहे हैं और इस तरह पुरुषों के खिलाफ हिंसा को बढ़ावा दे रहे हैं।

हाल ही में उत्पन्न हुई नई प्रवृत्ति में हमारे समाज ने राजनीति से प्रेरित एक व्यवस्थित एजेंडा विकसित कर अभियान संचालित किया है जिससे पुरुष के साथ जुड़ी हुई हर चीज़ को नीचा दिखा व बदनाम कर, नष्ट करने की साजिश की जा रही है।

इसीलिए हम हर प्रकार से प्रयासरत रहते हैं:

- पुरुषों और लड़कों के खिलाफ बड़े पैमाने पर हिंसा के बारे में समाज को जागरूक करने के लिए।
- इस लोकप्रिय मानसिकता को बदलने के लिए कि पुरुषों और लड़कों के खिलाफ हिंसा हास्याद्पद है।
- इस विषय को प्रोत्साहित करने के लिए कि पुरुषों और लड़कों के खिलाफ महिला हिंसा को रोकने के लिए भी समाज की मदद महत्वपूर्ण है।
- पुरुषों और लड़कों को प्रोत्साहित करने के लिए कि वे किसी भी प्रकार की हिंसा के विरुद्ध अपनी चुप्पी तोड़े, चाहे वह हिंसा महिलाओं के द्वारा ही क्यों न की जा रही हो।

सरकार से हमारी निरंतर माँग रही है कि:

1. पुरुषों को शर्मसार करना; काम पर, घर में और सार्वजनिक स्थानों पर, पुरुषों को ताना मारने या यौन शोषण समाज में उसी प्रकार अस्वीकार्य माना जाए जिस प्रकार महिलाओं से छेड़-छाड़ को माना जाता है। सरकार को समाज के इस तरह के व्यवहार के खिलाफ एक मीडिया अभियान चलाना चाहिए।

2. आज कार्यस्थल पर पुरुषों के यौन उत्पीड़न रोकने को कुछ नहीं है। पुरुष अपनी चुप्पी के कारण पीड़ित हो, शर्म की बात है सोच कर, झूठे आरोपों में फंस अपना रोजगार खो देते हैं। यह कानून लिंग भेदभाव रहित होना चाहिए और गलत तरह से फंसाए गए पुरुष को अधिकारियों से वित्तीय राहत और झूठे आरोप में फंसाने वाली महिला से मुआवजे का प्रावधान होना चाहिए।
3. दिल्ली की एक अदालत ने बलात्कार के आरोपी एक पुरुष को 'ससम्मान' रिहा करने के साथ ही एक प्राश्न किया कि क्या रिहा व्यक्ति को 'rape case survivors' कहना चाहिए। बलात्कार के झूठे मामले में बरी पेरुष को भी बलात्कार पीड़िता की भाँति ही मुआवजा दिया जाना चाहिए। हम सरकार से माँग करते हैं कि बलात्कार के झूठे मामले में बरी पुरुष को तत्काल सरकारी नौकरी और मुआवजा दिया जाए।
4. लिव-इन का टूटा रिश्ता या शादी से पहले सेक्स बलात्कार नहीं है। लिव-इन खत्म होने के बाद बहुत सारी महिलाओं ने फालतू बलात्कार के मामले जबरन वसूली करने के लिए दर्ज कराए हैं। लिव-इन रिश्तों को सहमति से बने, बिना किसी प्रतिबद्धता के रिश्ते के तौर पर कानूनी दर्जा दिया जाए ताकी रिश्ता टूटने के बाद, दोनो लोग बगैर किसी विवाद में गए अपना दूसरा जीवन साथी चुन सके।
5. पुरुष भी बलात्कार के शिकार हिते है, लेकिन वे बलात्कार का कोई मामला दर्ज नहीं करा सकते क्योंकि भारतीय कानून इस तथ्य को नहीं पहचानता। दिल्ली में हाल ही की एक घटना में, दो महिलाओं ने एक ऑटो चालक का बलात्कार करने की कोशिश की और उनसे बचने में वह अपने दोनो पैर तोड़ बैठा। बलात्कार कानूनों को लिंग भेद-भाव रहित बनाया जाना चाहिए।
6. घरेलू हिंसा के 60% शिकार पुरुष हैं। दुनिया भर के घरेलू हिंसा कानूनों के साथ बांग्लादेश और पाकिस्तान जैसे देशों में भी घरेलू हिंसा के कानून लिंग भेद-भाव रहित हैं, पर भारत में ऐसा नहीं है। यह अन्याय घरेलू हिंसा के कानून को लिंग भेद-भाव रहित बनाकर सही किया जाना चाहिए।
7. पुरुषों को जिंदा जलाया गया है, एसिड हमलों के शिकार भी बने हैं। उन्हें भी महिला पीड़ितों को दी जाने वाली राहत प्रदान की जानी चाहिए। दामन वेलफेयर सोसायटी निरंतर इस ओर प्रयासरत है। दहेज हत्या की ही तर्ज पर गुजारा-भत्ता हत्या को भी कानूनी पहचान मिलनी चाहिए, और
8. एक विवाहित महिला द्वारा व्यभिचार उसके पति पर यौन हिंसा है। व्यभिचार के कानून महिला के द्वारा व्यभिचार को अपराध के रूप में नहीं मानते। केवल पति या महिला का प्रेमी ही मौजूदा व्यभिचार कानूनों के दायरे में आते हैं। यह कानून भी लिंग भेद-भाव रहित बनाए जाने चाहिए।

अतः आप सभी से अपेक्षा है कि हमारी मुहिम से जुड़कर, समाज को लिंग भेदभाव रहित बनाने के प्रयास में हमारी शक्ति बनें।

MEN'S LIFE

Cruelty of Highly Educated Women & Empowerment. **Hindu Husband is ATM Machine**

Good day Sir,

I am Deepanshu Johri, Resident of Lucknow, a victim of false 498a case & DV ACT.

I have been interacting with many people who have been implicated in these false 498a cases for small disputes and currently working with people who are suffering from these cases.

My observation after interacting with many people and reading about cases are that this 498A section is not helping anybody except corrupted police officers and lawyers, NCW, Mahila commissions, and middle men who make money out of these false 498A cases at the cost of spoiling families and making children orphans.

In every case filed at least 3 to 6 people (at least 1 to 2 women and elder people) get arrested and anywhere between 1 Lakh to 5 Lakh (Rupees) money is spent for getting bails, bribing police officers, lawyers. After that there has been a long battle of cases, counter cases (Divorce, maintenance etc) for 3 to 6 years.

Small children suffer by missing any one of the parent. Sometimes people who get arrested become mentally disturbed and commit suicide. If there are any unmarried sisters or brother, then getting those married would

become next to impossible. If a NRI is involved then he could never come back to India with the fear of getting arrested in India and no confidence in Indian legal system that he would get justice.

It is a long suffering for the victims of these cases and they also develop hatred towards society and legal system. Now days these men are forming organisations to create awareness and help fellow victims. Many victims told me that there are so many well educated , doing very good in their jobs , who do not have any criminal back ground are suffering in UP Central jails along with their relatives and parents waiting for bails when they get arrested which is basic human rights violation

The girl, at the time of filing these cases, she or her family does not know full consequences of these cases. Once a case is filed, she can never rejoin with her husband's family, have to stay with her parents, suffer by attending courts, and face the consequences by getting divorced etc. In a way her whole life is spoiled.

Most of the time a full Bundle/Package (498A/323/504/506, ¾ DP Act and DV Act) is registered at a time by the police without any kind of enquiry to harass the husband and an innocent man is affected.

And it is so called money extortion racket as husband is treated as ATM Machine.

Here is same situation which happened with me:

Complain to Crime Branch Lko against 7 member of family. Date: 21 Septemeber12.

Complain to SSP Lko, through Gazipur thana. 25th Septemeber 12. With these just merely a complain letter police started visiting our house (day & night) for investigation and started black mailing us and in short started taking money from us for which later we found of no use.

Complain to Crime against women cell, Saket N.Delhi. 21 September 12.. Now this was again the extortion method, where we have to travel to Delhi on all dates give by CAW cell, where she wrote a false and fabricated story. She mentioned that we stayed in Green Park New Delhi, which was not true. I have never seen this house of his cousin brother. Just to make Delhi as jurisdiction, so that it becomes convenient for her to write a complain.

It is further necessary to state that Ms 498A, further produce the rent agreement which was done recently (after Lodging Complaint in CAW Cell). And same fact was conveyed and supplied by CAW cell from its RTI cell against the RTI letter send by the my father, Vide letter dated 01 March 2013 and information supplied with replied, stating that we never stayed there.

1. FIR was lodged against all of us (i.e. my father; mother; younger brother; sister; brother In Law, mamaji and myself) in Mahila Thana, Gautam Budh Nagar by Ms 498A.

In this petition reference was made to above mentioned FIR which is primarily in respect of dowry and associated allegations put up against all of us. U/S 498A, 504,323, 504, 506, ¾ DP Act, 420 & 468 IPC. Under Section 420 IPC it was mention that I was looking for Life partner on website www.jeevansathi.com, where profile was created in 2007 (prior marriage) and got deleted by system default as it was not accessed. This website hunting made me IPC420 man as I was looking for wife, being already married.

Then the sequence of Bail started, First Bail was applied on 16 Jan 2013, then As per the requirement of court order we applied for interim bail on 01 Feb 2013 at collectorate, GB Nagar. This interim bail expired on 14th Feb'13. Next Interim Bail expired on 6th March13. In short we are on 2 weeks Interim bail, till final bail on 29 May 2013, including 4 mediation dates in GB Nagar Court. It is further necessary to state that complainant /applicant ensuring that I and my family member will be harassed at the maximum level by approaching different high Police officials, courts to punish the innocents and our family members.

Complainant is having contact, money & muscles to harasses us and our family member from Lucknow / Mumbai/ Vadodara/ Kanpur to Delhi/ Noida time and again almost in every 15 days by ruining us financially, physically, psychologically & emotionally. Date: 14 feb 2013, 28th Feb 2013, 14th March 2013 & 04th April 2013(Last Date mediation fail) of court visit mediation visit, following with every 15 days of interim bail dates in GB Nagar court since 16 Jan 2013 followed by 1st Feb 2013, 15th Feb 2013, 06th March 2013, 22nd March 2013, 08th April 2013, 18th April 2013, 29th April

2013, 10th May 2013, 13th May 2013, 27th May 2013 & 29th May 2013 with this it is crystal clear mirror of harassment and cruelty. You have to imagine that 5 person got bail from Noida court out of 7, and for 5 person we have to arrange 10 person as a guarantor in court who have submitted there personal bond of Rs25 000/- each. Collecting these 10 persons (guarantors) and taking them to court every time was very tough job for us.

The SHO, Mahila Thana, GB Nagar who was handling this case and we understand Ms 498A, was constantly exercising pressure on the case against us by frequently visiting the SSP , who stays close to her residence along with some Top officials in Delhi Govt.

A brief of the situation is narrated here for your kind reference:

Ms 498A got married to Mr. Deepanshu Johri, on 2nd Nov 2009 in Gautam Budh Nagar (at her parent's place). It was an arranged marriage with consent of parents from both sides. Deepanshu works with merchant navy and has to be away for several weeks due to work assignments. Both knew about their job responsibilities and requirements prior to marriage and from the time their marriage proposal was being discussed by their parents. At the time of finalizing the marriage proposal Ms 498A and her parents had a considered view that adjustment to any place of stay or work post marriage would not be an issue for the girl.

Post marriage, Ms 498A refused to shift base to Lucknow from her parents place in Gautam Budh Nagar for reasons best known to her and continued her profession in Delhi university with LSR. She used to

infrequently visit her in-laws in Lucknow on occasions like Holi, Diwali etc. only for few days, when the college remains closed due to holidays. During such occasions and also when her husband (Deepanshu) used to visit her in Gautam Budh Nagar, Ms 498A and her parents used to put pressure on Deepanshu to shift to NCR and to purchase a new house and car, all this sans his parents and other responsibilities. Deepanshu was pressurized by Ms 498A to open a join A/c in Noida PNB, where Deepanshu was asked to deposit his full salary, where Ms 498A never disclosed her salary. On further finding It was found that Ms 498A parents were fully dependent on her salary and there all payment of Electricity/Dhobi/ Ironing guy's /food/ telephone bill etc were paid by Ms 498A, so her parents never wanted to leave her as she also being only daughter/child to them. On very initial phase of marriage she use to force me to not keep any relation with my parent & family members. Just after 7 days of marriage she left Lucknow To Noida with all here belongings. After marriage she was taken to South India tour and further for 20 day tour by Airflight to North East India. She has been always given facility of travelling by 1 AC. 2AC & 3 AC at my cost. It has happen that without my absence my parent have been to Noida for some marriage, my parent asked her to go along with them to marriage function in Noida, Ms 498A refuse to meet my parents and visit to marriage function. With lots of efforts she came to Lucknow on 27 Dec2009. Then on 3 Jan 2010, she created a big fight with me and with my mother and abused us that she will put us in jail under section 498A & DV which we have never heard of these thing before ever in our life. From there she forcefully went along with me to Mumbai and return to Noida by flight, all expenses born by me , where in Mumbai she did not allowed me to study for my exams and kept on

fighting whole day on small small issues. Then came the occasion of Holi, I was in Noida and my Mama died on 27 Feb 2010 I wanted to visit in his last rites but there was lot of fight on my travelling issue and she did not allowed me to travel to Lucknow from Noida. Then on 11 March 2010, Ms 498A with lot of fighting issues travelled to Lucknow and on 21 March 2010 she again had fight with me & with my mother again repeating same words saying that she will take action and will put us behind bars, using dirty words for my mother & sisters etc. It has to be also mentioned that I have always paid her Rs10,000/- (USD 200) per months inspite she was working & earning, this money was always demanded by her forcefully and there were times while preparing for exams being non earning member of family I some time dint use to have money then also I use to give her money to make her quite. She was given expensive gift like gold bracelet, chain, expensive suitcase, branded cloth for which she never thanks and used to say this is my duty to spend on her. She use to do shopping in super malls and all bill I have to pay, which being a small town boy I was never use to of such kind of stuff. Again she was in Lucknow from duration 17 June 2010 to 03 July 2010 she again repeated same things

Here visit was followed on 1 Nov 2010, on occasion of Diwali, she came with red face and with lot of fight since Noida only, because of her bad attitude our family was not happy to celebrate our 1st marriage anniversary on 2 Nov 2010 and my birthday which we use to celebrate every year happily. She wore black cloth on Diwali puja night and with lot of request she wore red chunari after lot of arguments. These all incidents were piling up as shocking situation which we never saw before. Another most shocking

incident which happened in our life was that she was pregnant for 3 months and carrying my baby, but she informed me when I was on ship after 3 months reason of telling me so late are best know to her and her family member. I had some question related to coming of baby, she & there parents made a big fuss out of it, those issues could be solved amicable but they went on taking double meaning of my question, these question & answer/discussion are considered normal between husband and wife. After girl child was born on 31 jan 2011, I was not given even right to keep her name and while she was getting born I was just informed in morning that Ms498A is going in Hospital, where I was in Mumbai for my exams purpose and could not travel to Delhi that day. Then on 06 Oct 2011, she was in Lucknow where she again quarrelled with me and my family and dint allowed us to visit Sai Bhandra in Vikas nagar and spoiled the mood of Dushera and some family visits. Then again on 24 Oct 2011, Ms498A visited Lucknow for Diwali and during train travel she had lot of fight and use to poke me that I'll jump from running train with small child, that situation was difficult to handle, she behave like physco and then on very evening of Diwali she travelled back to Noida. During this time she crossed all her limits where she said I'll kill myself and put u all in jail, in mid night she left the house after huge fight on road with her bags, on lot of request to return home she asked for written apology from our family, she abused us infront of our servant and refused to enter home in mid night 0300 Hrs and shouted loudly so that all neighbour can hear her. Then my father with folded hands requested her to enter home. She spoiled all our festival mood. This incident was something which I can never forget in my life and after she left Lucknow I started digging into her past because she use to call up my parents and use to mentally harass them

and keep on talking and repeating same thing every evening from 2000 Hrs till morning 0300 Hrs where Ms 498A and there family members use to abuse my parent in all respect what ever they can. Ms 498A phone call were becoming night mare for us day by day and her furious nature, approach towards us were very cruel. Then finally I started digging into her past and came to know that her marriage was fix with another guy Mr X Shina from Kanpur but stays/works in Delhi, all function like gudbhari, lagun, Tilak were already carried out. These people cancelled marriage a day before final marriage was suppose to happen. Because of her cruel nature , behaviours, her political approach, she created complication between all family members in there (Mr. X Shina) family too, she manipulated the thing and twisted her words according to people whom she use to talk, double talks and use to give call to any family member of Mr X Shina and then later started abusing them over phone. Even after my marriage she use to keep writing him emails.

She then started sending all kind of false / fabricated SMS & email to us to harass us and use to give call to our all father side and mother side family members and enquired about our family and blamed me falsely that I'm having affair and term with other girls. Due to all these my parents started going sick and ill and they reduced all weight due to mental tension.

Considering initial phase of marriage, it was not possible for Deepanshu to agree to such unreasonable demands from girl's family. Whenever he used to request Ms 498A to shift to Lucknow, he was dealt with harsh treatment and insult. Deepanshu also informed that pressure was put

on him to sell the house that he bought on loan in Lucknow for his parents prior to marriage.

Ms 498A, her parents and their relatives continuously used to coax and coerce a lot of pressure on Deepanshu and also on his parents there in Lucknow about the above issue. They used to threaten Deepanshu and his parents of dire consequences if he or they do not agree and fulfil their demands. Due to fear of insult and social pressure, I (Deepanshu) and his parents tried refrained to confide this matter to anybody else. All this continued for quite some time and each time the matter became bitter and there was no respite. In between we also had a child (daughter), but the situation did not change. Feeling frustrated I (Deepanshu) stopped visiting and communicating with Ms 498A.

Sensing that I (Deepanshu) might be contemplating separation due to this situation, she used to make frantic and demeaning calls to all of our family & Neighbourhoods asking them for intervention. She also started Spying on me & then tried to extract other personal information from various sources. e.g: It can be referred to mail correspondence of Aug'12 between Ms 498A and my sister. The tone and language of Ms 498A in this mail will give you an idea about the sanity of her mind. It can also be inferred from this mail that she used to make frantic calls to us rather than we harassing or asking her for any dowry. Moreover, this mail also conveys that my SIS & BIL were expected by her to intervene in the matter for resolution. So how come when Ms 498A who is asking for sisters & BIL

intervention then, allege us now in the said FIR to have harassed her for dowry, is a question which only she can answer.

Despite intervention by BIL & Sister to save marriage the situation did not improve due to stubborn approach from girl's side and so we were in this situation where Ms 498A along with her parents and relatives with their mala fide intentions are trying to falsely implicate all of us here to take legal advantage in this case of marital separation sought by me (Deepanshu Johri) which was registered on 13th Sep2012.

I have to face a lot of harassment, torture and threats from Mrs498A side, but still tolerated her assuming that things will get better some day. Because of continuous harassment, torture and threats of false cases from Mrs 498A, my parents have a multiple medical complications, which they have recovered. I have tried all possible options but all attempts to bring her back have failed, as she always lived & like to live with her parents in Noida. I would like to bring to your attention that: All the incidents mentioned in FIR are false and baseless. This false FIR is leading to mental harassment and torture for whole family. We don't understand why this case has been filed, without listening to us and without any investigations and without considering the material facts of the case. This False case is creating a lot of problems in my profession life. Please note that I'm the only earning member in my family, where I'm not able to focus on my job as I'm in a state of mental depression due to continuous harassment because of false cases; The father of Mrs 498A, is completely misusing his contacts in judiciary/police to harass me and my family.

As I have mentioned that we are fed up, tired and exhausted with the false cases that have been filed against us. These false allegations and cases have led to loss of my family's honour, dignity and status in the society. These allegations have created havoc in our life. My whole future is shattered, our family faces isolation & ridicule and my career is destroyed. It is very difficult to face the shock, trauma, ridicule and humiliation.

This FIR was quashed on 28th May 2015, at Allahbad High Court, where she keep on dragging dates 5 times, even on serving personal notice at her residence, she lingered on to appeared in court.

5. On 13th Sep2012, I (Deepanshu) applied for marital separation, Under section 13 HMA, in family court Lucknow , as the situation reached to the point of no return. To counter this and with intentions to malign and implicate all of us, Ms 498A lodged the above mentioned FIR three (03) years after her marriage with me (Deepanshu).

It has to be noted that no dowry was ever asked by any of us and neither it was given by girl's side, still in the FIR allegations are made for demand of Honda City, transfer of House, FD of 25Lac, Girl child discrimination, etc..

The fact of the matter is that not even a bicycle was given by them to prove this false allegation. At the time of their marriage all the named members of the family were already having cars and there was no

unreasonable requirement put by any of us then and till date. Apart from this she has also levelled other false but serious allegations like child discrimination etc. I would like to mention that my sister has two kids aged 15yrs and 7.5yrs and the younger one is a daughter who is very dear to all of us. Considering this, such an allegation is totally abominable and malicious.

Allegations are also made against my Sister and Brother In Law(BIL), though they are staying in a different city since long before the time of their marriage and post marriage they have met Ms 498A and her parents only once in May 2011, when she and her parents invited them during there visit to his brother's place who also stays in NOIDA.

I would also like to mention that father of Ms 498A forwarded copies of the above referred FIR to my BIL company in Vadodara, intentions of which are best known to them and considering the fact that they were under no legal obligations to do so. This instance also serves as a witness of their nefarious intentions to put his job in jeopardy.

Here I would also like to mention that a similar attempt was made by Ms 498A and her father, where they personally approached my (Deepanshu) 3 different companies and Director General Shipping in Mumbai on 7th September'12 and made false incriminating allegations, which resulted in loss of his job contract and put in danger my shipping Marine license by request of Suspension or cancellation. Further to add even after Logging FIR she posted the certified copy of FIR and other document to DGS & different previous companies. She also cleverly took out Arrest Warrant (Secret

Document) from Police department and send a scan copy by emails to all my previous employers.

Despite my best efforts, there has been a lot of negative influence of my wife Ms 498A on my career. I would also like to mention that my wife (Ms 498A) and I were not on talking terms due to conflicting ideologies and principles. To maintain calm within the family I try to avoid personal confrontation with her, but of late she has been blatantly intruding my professional life beyond her rights and reasonable limits. She herself being a professional and working as a Sr. Asst. Professor, Philosophy in a reputed college in Delhi is expected to act reasonably, but this has not been the case. Instead of trying to make efforts towards improving family life, she was more inclined to enquire about my financial position and monetary accruals. It is for the same reasons that she has approached the company to extract details about my employment and remuneration to use it for her own benefits, best known to her only. All this she does furtively and with lot of eloquence to conceal the real intentions. I've also cautioned my employers/colleges/ friends/ family members & Neighbourhoods against her gullible and surreptitious intentions.

We all are unnecessarily subjected to mental tension and harassment by Ms 498A and her family members by dragging our names in this case & misusing 498A IPC. We all are simply shocked by all this, as we in past have never witnessed such a thing in our peaceful lives.

6. Now comes another example of Misusing Domestic violence Act 2005, a court case was registered against all of 7 members of our family. Same people were name in false and fabricated case in Saket Court, Delhi. To file this case false ground of Jurisdiction was made in Delhi, showing Green Park, Delhi as an address where we never stayed stating all harassment happened with her.

7. Because of below given reason negotiation in Saket court, Delhi, Mediation centre went to Rs 25 Lac (USD 42 000\$), where 3-4 lawyer pressurized my parent to bow down. If the Agreement which was made in Saket court is carefully seen/read the design was done in such as way that it totally favour Mrs 498A, saying that 15 lac she will keep and only 10 Lac to be given to girl/child for her welfare. I don't understand why a working women who earn more then Rs90,000/- need so much money. She had full intention to even keep full money in her pocket but due to some mandatory Mediation rule if child is there then a part of money has to be kept in his/her name. In agreement she has taken Rs5 lac on very first date of mediation, then Rs5 lacs on date of taking back fabricated Domestic Violence case where she took 3 date, with every time excuse that she in unavailable and we have to travel to Saket court, New Delhi. After getting 10 Lac in her pocket she took date after dates for filling first motion of Divorce under section 13 (B) in Noida, she created lot issues related to petition drafting. Finally day came where she took another 5 lac and signed/ filed 1st motion of divorce. Now at every step Advocate use to make us fear that Mrs498A has taken your Lacs of money and she has power to refuse you to sign 2nd motion of Divorce. Now finally after 6 months of waiting period 2nd motion date came, where

infront of Family court judge in Noida she refuse to sign 2nd motion. And matter was linger on till another 5 dates. So finally after 1 year of filling of 1st Motion Mrs 498A women singed 2nd motion petition, but she took another date for final judgment of Divorce where she will produce the Rs10Lac of FD on name of daughter in court. In agreement there is no mentioning of tenure of FD for girl child. And now come final stage of Quashing of FIR 498A in Allahabad court, this criminal case they have kept in last option. So that we are always in grip of Mrs 498A women and our family don't run away without paying her money, as by now she has 20 lac in her pocket and last instalment of Rs5 Lacs to be paid at time of quashing of FIR at Allahabad High court.

Under this agreement she has very cleverly mentioned and taken away all the visiting right from a father to visit his daughter, and mentioned that non of my family member can ever see that little child in life ever again. In short she has extorted big/fat money under Indian Law system on the name of child between us and then leaving a father alone never to see his daughter.

Above all, taken all items back which she or her parents gifted to me but never thought of returning back the things/items/gifts which I bought with my hard earn money lying in her house in Noida. Even she mentioned that she will not be liable for any payment to any lawyer for any drafting the divorce & quashing of FIR petition, and only respondent will have to pay all money.

Here big question arises :

why a wife always ask husband money to pay her?

Why not wife ask his father to maintain her when she has all legal right on his father property in Indian system ?

Why a daughter who become wife feel to extract money from ex-husband to extract money/property as being a easy method or easy flow of money as this hard earn money is not earn by them or by his father.

This system and Law misuse is spoiling the culture and family system in INDIA and need to be controlled.

Most of the girls are filing these cases for following reasons

- 1. When she does not want her husband to support his family financially.**
- 2. Some egoistic women just want to satisfy their ego and use this law as tool as they lost nothing except husband if cases are found to be false.**
- 3. When she does not want to stay with her in laws or do not like her husband.**
- 4. When she has any pre marital or post marital affairs and being caught rush for registration of 498a and other false cases against husband and in Laws.**
- 5. When she wants some property to be transferred to her name but husband does not agree for the same.**
- 6. For small issues like husband not behaving as per her expectations.**
- 7. When she is suffering from any psychological problems.**
- 8. Just thinking that if she files a case then her husband would listen to what ever she or her parents say (which is never true).**
- 9. When she is really suffering from dowry harassment (only 1-2%).**
- 10. Some women are making it as a business to make money.**

11. When she is pampered child of her parents and commits the mistake of breaking her own married life by filing false/bogus cases on the advice of her parents and so called well wishers (Actually Bad wishers).

12. When she is made fool by the advocates and Lawyers to run their business.

Extra marital affairs; multiple marriages; obnoxious sense of control; absolutely no responsibility of a home; insane demands of money, lifestyle and property; wrong choices, forced marriages, nuclear home, greed, no respect for in-laws, ridicule, abuse – are these circumstances where you would like to grant the woman a ‘negotiating space?’ What negotiations do you refer to?

NEGOTIATION that you need to BOW DOWN to in order to – save your dying father OR your unmarried sister who is set to get married next month OR save your entire family from arrest OR save your career getting ruined OR save your married sister’s home from tumbling down OR your brother’s VISA being impounded OR avoid risk of getting an additional false charge of rape, molestation, attempt to murder OR even think of living a life again?

Or maybe you talk about a Negotiating space like this: One Crore to settle a Dowry Score.

Some of the above problems are very common in any family life and they are easily solved during the course of time. But because of this law, the wife files cases then every bodies life is spoiled.

The police officers (SI and CI rank) involved in the cases mostly behave very immature way. Their only concern is how much money they can make out of these cases. They say as per law, if a 498a complaint comes they cant help except arresting the accused and produce in court with out any enquiry. It seems like mimicry of Law and tool is given in the hands of cunning and intelligent women to destroy the innocent man and his family.

Some times if there is any sincere police officer who does proper enquiry and gives correct report then there is pressure from women organizations to take action.

It is also my observation that our entire judicial system is influenced by Women organizations. In a way judges are also scared to give bails immediately when complaint itself is frivolous.

There are circulars and high court decisions/suggestions from govt. and Ministry of Home Affair for not to rust for arrest in family maters without proper enquiry, but these circulars are not followed properly.

Also following are the excerpts from High court and Supreme Court judgments regarding misuse of these acts.

A man who apparently has no dignity in this Country, no matter if he has served the nation at the borders for his entire life, no matter if he bears the responsibility of his entire family, no matter how many accolades he has brought to the country, no matter how much dedicated his entire life has been to welfare of society, no matter if he has been a dedicated son, father, brother and an honest citizen! If he has done anything that comes in the ambit of 'sexual harassment, sexual misconduct, undue advances, mental torture, physical torture, outraging modesty of a woman, verbal taunts, indecent behavior' he is DOOMED for his life.

IPC 498A is not anymore about negotiating spaces. It isn't even about getting justice. With due respect to all women out there, it's that tool, which women use when they want the world to cede to their demands, no matter how much wrong they have themselves done. I agree with you – that there are few cases – but these few cases are not of misuse sir, these 'few cases' are of use.

During my interaction with people, for every case police and judges are seems to be not following any guidelines provided by higher courts or law department. This is basic human rights violation making innocent people suffers so much for no mistake of theirs.

Now I would like you to study about 498A cases implementation and usage and provide detailed information . If it is possible, please circulate the same information to all departments and other state police and judicial

departments (also to major news papers) which are involved in implementing this section.

This is a major social problem. I will need some basic answers and statistics through RTI Application regarding this matter. Before ending would like to quote-

"I am really thankful to my wife and her relatives to put false cases on me. Otherwise i would have not learnt the following things :-

- 1) How do the govt works/make-laws.
- 2) How biased our police/judiciary/society is.
- 3) How to deal with police/advocate.
- 4) Who are my friends and who are not.
- 5) Its really feel nice to help others who are in distress.
- 6) And the last but not the least :- a number of co-sufferers whose support really made me mentally-strong man.

If i would have been living a normal life with my wife, then things would have been like this :

- 1) I would have not gained the above things.
 - 2) My only concern would have been to live and die for my wife and children.
- And one day, i would have died with the false believe that All girls are innocent and "DOWRY-DEMAND" is really a bad happening in our society.

THANKS ONCE AGAIN TO MY WIFE AND HER RELATIVES."
